

**Voting Instructions - Chesterfield**  
**Town and School Elections**  
**Town and School Business Meeting**  
**Chesterfield, New Hampshire**  
**March 9, 2021, 10:00 AM - 7:00 PM**

**Drive-Through Voting Procedure for COVID-19 Regulation Compliance**

- 1) On **Tuesday, March 9, 2021**, Voting will occur for the Annual Town & School Elections and Town and School Business Meetings. Voting will be done from the car on a drive-by basis between the hours of **10:00 AM – 7:00 PM** at the **Town Garage**, which is immediately off to the right just before you enter the **Town Transfer Station**.

- 2) After March 6, 2021, voters can download sample ballots from the Town and School websites at:

Town Information:        [www.nhchesterfield.com](http://www.nhchesterfield.com)  
School Information:      [che.sau29.org](http://che.sau29.org) > Resources >  
   Chesterfield District Meeting Documents

For this election, there will be Five ballots Including ballots for:

- 1) Town Elections,   2) Town Warrant Articles,   3) Town Zoning Amendments,  
4) School Elections, 5) School Warrant Articles.

- 3) Voting will be between **10:00 AM and 7:00 PM on Tuesday, March 9, 2021**. Voters may vote anytime in that time window.

- 4) To VOTE

- a. Drive to the Polling Station with your photo ID's. One or more voters can be in the same car. ID's should be removed from wallets or purses before arriving. One ID is required for each voter and you must be a registered voter to vote. For those not yet registered to vote, you can register at the polling location (see procedure at end.) **It would also be appreciated if drivers wear masks to protect the workers.**
- b. When you reach the check in station at the Polling place, put on your mask, and roll down the window. One at a time, hold the ID out for the registrar to see at arms-length and state your name so you can be checked off the voting rolls. The driver should do this once for each voter in the car.

- c. The correct number of ballots will be given to your car. You can then pull ahead to a waiting parking area where you can fill in your ballot. (It is suggested that you bring some hard surface to write on such as a book.)
  - d. When all the ballots are completed, you will drive around the corner of the building to the check-out area where the voters state their names and turn in their ballots. The ballots will then be placed in the ballot box.
- 5) For added safety, it is recommended that all voters who handled a ballot sanitize their hands afterward.
- 6) All participants are asked to comply with the Governor's orders by maintaining six feet of distance from poll workers and other voters and not gathering on the site following casting of your ballot. We ask that you REMAIN IN YOUR CAR AT ALL TIMES and leave the premises after casting your ballot following the traffic flow. Please maintain a single line of vehicles to provide for the safety of the ballot workers. The Moderators have the authority to remove anyone who does not abide by these Procedures.
- 7) If the Moderators determine at any point that these Procedures are unworkable or not in the best interests of the voters of Chesterfield, the Moderators will recess the meeting to a specific date, time, and place. The Moderators will inform voters of the recessed date with means consistent with previous postponements.

**New Voter Registration:** If you need to register to vote, you will need to bring the required documentation with you to the polls. As you enter the Town Garage area, tell the worker directing inflow traffic that you need to register to vote. He will direct you to where to park and you will have to go inside the Town Garage to register. After Registration, you will get back in your car and follow the procedure describes above.
